

60cm fully-integrated dishwasher.

Packed with features which ensure the quiet, quick and thorough cleaning and drying of all your crockery and cutlery, this dishwasher is the perfect built-in solution.

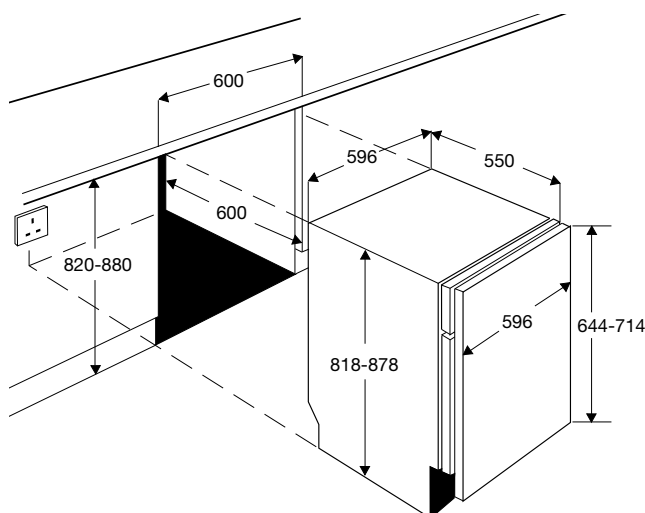

- **Auto programme** - the auto programme will adjust the duration, temperature, water consumption and pressure depending on the contents and soiling level of the load
- **Multitab** - to ensure perfect results whatever the detergent type, the multitab option modifies the programme ensuring that all elements of the tablet are released when needed
- **Extra spray arm** located on the ceiling of the dishwasher tub provides better rinsing and works with the cutlery tray suitable for knives, spatulas and ladles
- **Active drying** - for perfect drying results the active drying system aids the natural circulation of moist air through a condensing unit

60cm fully-integrated dishwasher

FEATURES

- Fully integrated
- 12 place settings
- 5 programmes
- Intensive 70°C
- Auto 45°C-70°C
- Eat Load Go 60°C
- Bio 50°C
- Rinse & hold
- 1-19 hours time delay
- 45dB
- 12 litre consumption
- Active drying
- Easy lift height adjustable basket
- Multitab
- Auto half load
- Extra spray arm
- Aqua control
- Operation beam
- AAA rated

¹ Energy consumption is stated in kWh per standard test cycle, using cold water fill.

Actual consumption will depend on how the appliance is used

² Estimated annual consumption based on 220 washing cycles

³ Models with an 'A' rated classification offer a higher performance than those with a 'G' rating

⁴ Time taken for a standard test cycle, using cold water fill
